ESCALADE II

The Escalade II exudes space for the larger family, with separate zones for parents and teenagers. The spacious open entry lobby looks onto the raising staircase while the kitchen looks out into a picturesque courtyard. From the open plan kitchen, meals and lounge areas you move directly through to the wonderful alfresco. Downstairs, the kids have their own bathroom and activity area providing them with space and independence. Each of the secondary bedrooms caters for queen sized beds with plenty of room for a desk. You will love the upstairs parent's zone equipped with its own entertainment, balcony and sitting room, private ensuite and walk-in robe.
