

SORRENTO

Rosmond Homes will design a home for you that reflects your style, your personality and your way of life.

Our designers will work diligently to create your individual home, or we can customize a design from our existing portfolio of homes. With Rosmond Homes you can choose everything from your elevation facade to internal layout, fixtures and fittings. It's your home so it's your choice.

With Rosmond Homes you receive exceptional customer service, quality workmanship and honest advice.

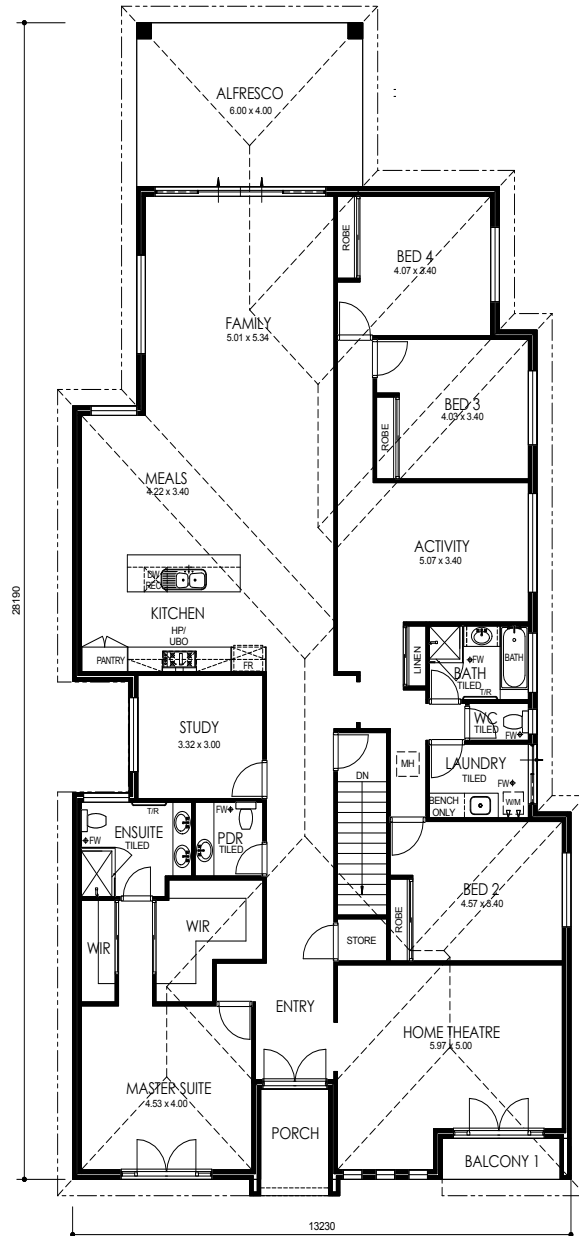

Rosmond Homes create designs as individual as you are, so call us today and see how we can turn your dream home into reality for you.

SORRENTO

The Sorrento is an absolute stunner with its modern façade, huge rooms, luxurious kitchen and enormous living areas. With an abundance of space this home is everything you'll ever need. The giant bedrooms, activity zones and ample bathrooms cater for the growing family. Spending time with family and friends is an absolute delight with a beautifully appointed kitchen, huge living area and adjoining alfresco. Plus, the Sorrento has a 3 car garage, providing extra space for a workshop, storage or perhaps even a wine cellar.
