

HIGHLAND

Rosmond Homes will design a home for you that reflects your style, your personality and your way of life.

Our designers will work diligently to create your individual home, or we can customize a design from our existing portfolio of homes. With Rosmond Homes you can choose everything from your elevation facade to internal layout, fixtures and fittings. It's your home so it's your choice.

With Rosmond Homes you receive exceptional customer service, quality workmanship and honest advice.

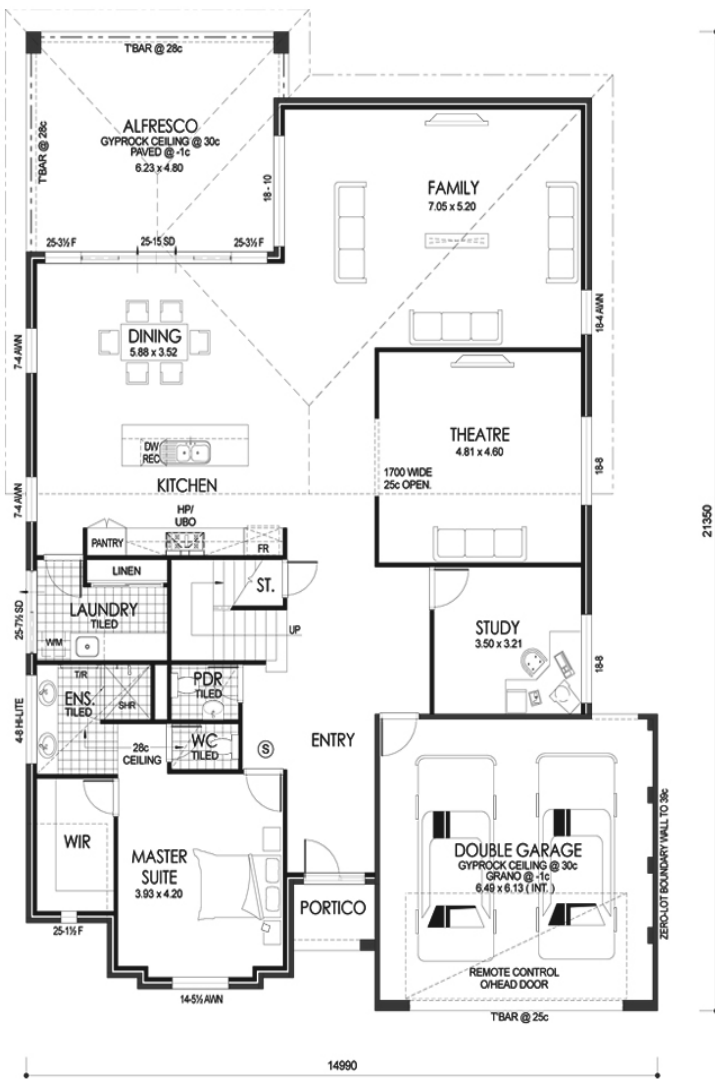

Rosmond Homes create designs as individual as you are, so call us today and see how we can turn your dream home into reality for you.

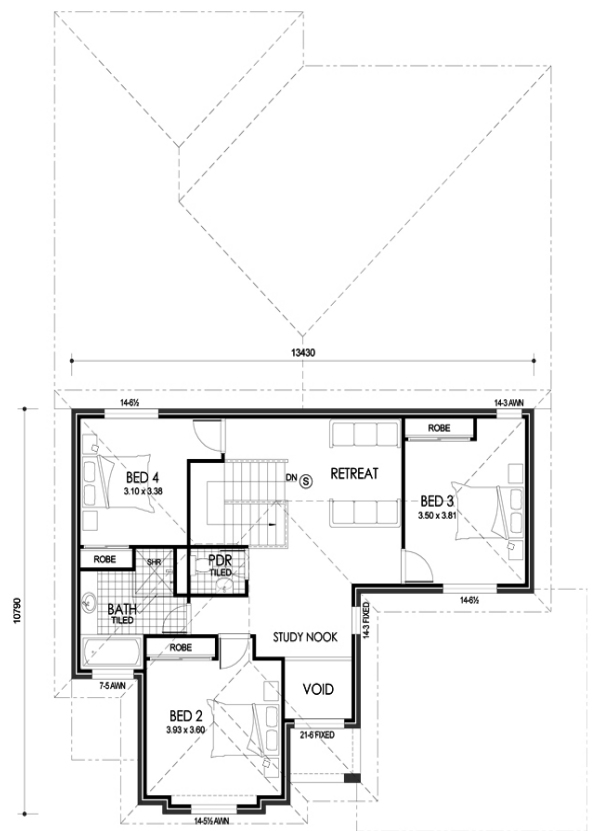

HIGHLAND

The Highland provides a great family home for entertaining friends and catering to the needs of growing teenagers. Upstairs teenagers have their own sense of independence with a huge amount of space and privacy. Parents can retreat to their own sanctuary downstairs and enjoy the comforts of the master suite. Entertaining is a sheer delight with huge open planned living areas, large windows for natural light and a flow through alfresco.
